

Our choice for an Iron Curtain poster

If you would want to show how people on this side of the Iron Curtain enjoy life, go places and do things . . . what better picture could you find than this one! Life on a Triumph is more fun than anything else we can think of. If you're not yet a Triumph owner, try it. See what it's like to get out on your own and go where you please, on the world's most respected motorcycle — Triumph.

See your nearest Triumph dealer for details. Write, too, for free color catalog showing complete Triumph range. Write Dept. AM.
