

TRIUMPH IS NUMBER 1

**Gary Nixon
wins 1967 Grand National
Champion Crown riding
"the leader"—a Triumph**

Victory in the national point standings is a tribute to man and machine. This is a gruelling test over many courses, throughout an entire year. Gary Nixon and Triumph combined to pass that test with colors flying. To be number one, the motorcycle must run faster and handle better. It

must have stamina and be completely dependable. In short, the performance has to be superior in every way. So if you believe in results, Triumph is your very best buy whether you motorcycle for fun or trophies. See your Triumph dealer (over 600 coast-to-coast) . . . he'll make a believer out of you!
